MEMORANDUM

SUBJECT: Temporary Redelelegation of Authority to Take All Necessary Actions Under Section 5 of the Toxic Substances Control Act as Recently Revised by the Frank R. Lautenberg Chemical Safety for the 21st Century Act

FROM: James J. Jones 
Assistant Administrator (7101M)

TO: Wendy Cleland-Hamnett, Director
Office of Pollution Prevention and Toxics (7401M)

On July 7, 2016, the Administrator signed a temporary delegation of authority entitled "Temporary Delegation of Authority to Take All Necessary Actions Under Section 5 of the Toxic Substances Control Act as Recently Revised by the Frank R. Lautenberg Chemical Safety for the 21st Century Act," in which the authority to perform the functions and responsibilities authorized by Section 5 of TSCA were delegated to the Assistant Administrator for the Office of Chemical Safety and Pollution Prevention.

As permitted by that delegation and with the limitations specified therein, I hereby redelegate to you, the Director of the Office of Pollution Prevention and Toxics, the authority described in Section 1. of that delegation. At your discretion, and pursuant to the terms of the delegation and related implementing regulations, you may redelegate this authority to the Division Director level or its equivalent and the authority may be further redelegated to the Branch Chief level, but no further. In exercising these authorities, you (and whomever you redelegate these authorities to) are responsible for coordinating with other affected offices as appropriate and for ensuring compliance with any applicable requirements or procedures. I also ask that you inform me of any redelegation and of any significant issues that may develop as a result of implementing these functions, or generally in exercising this authority.

Any redelegation of this authority does not divest the official making the redelegation from the power to exercise this authority. An official who delegates authority may still exercise the authority or revoke such redelegation at any time and without written notification or explanation.

MEMORANDUM

SUBJECT: Temporary Redelelegation of Authority to Take All Necessary Actions Under Section 5 of the Toxic Substances Control Act as Recently Revised by the Frank R. Lautenberg Chemical Safety for the 21st Century Act

FROM: Jeffery T. Morris, Acting Director
Office of Pollution Prevention and Toxics (7401M) 

TO: Maria J. Doa, Director
Chemical Control Division (7405M)

On July 7, 2016, the Administrator signed a temporary delegation of authority entitled "Temporary Delegation of Authority to Take All Necessary Actions Under Section 5 of the Toxic Substances Control Act as Recently Revised by the Frank R. Lautenberg Chemical Safety for the 21st Century Act," in which the authority to perform the functions and responsibilities authorized by section 5 of TSCA were delegated to the Assistant Administrator for the Office of Chemical Safety and Pollution Prevention.

On July 15, 2016, as permitted by that delegation, the authority given to the Assistant Administrator for OCSPP as described in section 1 of that delegation was redelegated to me, the Director of the Office of Pollution Prevention and Toxics.

As permitted by that delegation and with the limitations specified therein, I hereby redelegate to you, the Director of the Chemical Control Division, the authority described in section 1 of the delegation. At your discretion, and pursuant to the terms of the delegation, you may redelegate to the Branch Chief level or its equivalent, but no further, the authority to issue determinations pursuant to TSCA section 5(a)(3)(C) that a chemical substance or significant new use is not likely to present an unreasonable risk to health or the environment and, pursuant to TSCA section 5(g), issue a public statement of the finding made under section 5(a)(3)(C) for submission to the Federal Register. In exercising these authorities, you (and whomever you redelegate this authority to) are responsible for coordinating with other affected offices as appropriate and for ensuring compliance with any applicable requirements or procedures. I also ask that you inform me of any redelegation and of any significant issues that may develop as a result of implementing these functions, or generally in exercising this authority.

Any redelegation of this authority does not divest the official making the redelegation from the power to exercise this authority. An official who delegates authority may still exercise the authority or revoke such redelegation at any time and without written notification or explanation.

Should you or your staff have any questions about this redelegation or related expectations in implementing it, please contact the Office of Chemical Safety and Pollution Prevention delegations coordinator, the Director of Regulatory Coordination, Angela Hofmann, at (202) 564-0258.
